Manufacturer Trend Micro  
Manufacturer# CM00871765

### Description

Worry-Free Business Security Advanced protects your small business and its reputation against data theft, risky websites, and overwhelming spam. Trend Micro's safer, smarter, simpler security blocks web-based threats and other malware to protect your business assets and customer information. Only Trend Micro offers web threat protection that addresses the exponential growth of web threats with constant updates that won't slow your PCs down. Trend Micro's knowledge base rapidly deploys to defend all customers like a global neighborhood watch. Advanced includes InterScan Messaging Hosted Security to block spam before it reaches your network. Advanced protects Microsoft Exchange and Small Business Servers, Microsoft Windows servers, PCs, and laptops.
