### Netgear Netzteil APS600W 600 W, Netzteil Eigenschaften: Modular

|               |                |
|---------------|----------------|
| Manufacturer  | NETGEAR        |
| EAN           | 0606449130355  |
| Manufacturer# | APS600W-100NES |

### Description

Compatible with M4300-96X models (XSM4396K0, XSM4396K1). The NETGEAR M4300-96X is a 2RU modular switch that comes either empty or pre-populated with 48 SFP+ ports and supporting up to 96-port 10GBASE-T copper (RJ-45) with first 48 ports capable of PoE+, 96-port 10GBASE-X fiber (SFP+), 24-port 40GBASE-X fiber (QSFP+), or a combination. The M4300 family provides world-class services for server and storage interconnect, mid-enterprise edge and SMB core. SDVoE-Ready, M4300 switches streamline AV-over-IP deployments with Zero Touch multicast. Layer 3 feature set includes static, policy-based and dynamic routing as standard.

### Specification

|                     |                                   |
|---------------------|-----------------------------------|
| Product Description | NETGEAR - power supply - 600 Watt |
| Device Type         | Power supply - plug-in module     |
| Localisation        | Europe, Americas                  |
| Input Voltage       | AC 100-240 V                      |
| Power Capacity      | 600 Watt                          |
