### Description

The Lenco L-30 is a semi-automatic turntable that makes your favorite records sound fantastic. Its trendy design and modern technology make this turntable perfect for all enthusiasts. Do you want to play your favorite sounds of the past for your children? The Lenco L-30 produces a superb high-quality sound. Your children will be amazed. Because this midi turntable is so easy to use, you can even let them play a record. The Lenco L-30 is equipped with a moving magnet cartridge (MMC), auto stop, belt drive and a built-in preamp. As the years have passed, your records may have become old and fragile. To prevent your favorite music being lost forever, you can digitize your cherished vinyl collection using the Lenco L-30. Connect the turntable to your computer via the USB port and the job will be done in next to no time. Wherever you go, you will always have your favorite music with you.
