Marmitek Empfänger zu MegaView 91, Übertragungsart: LAN, Anschluss Seite A: HDMI; RJ45, Anschluss Seite B: HDMI; RJ45

Manufacturer	Marmitek
EAN	8718164532931
Manufacturer#	07-6235

Description

The MegaView 91 enables you to easily connect TVs at multiple locations in the home to one decoder in one central area. The MegaView 91 consists of one HDMI transmitter and one HDMI receiver. Unique to the MegaView 91 is that you can connect additional receivers (available separately) to a single HDMI transmitter. This enables you to extend the signal of, for example, a decoder for up to 120 meters over 1 CAT 5e/6 cable, to one or more TVs (>10). You use an HDMI cable to connect the decoder to the MegaView transmitter, and another HDMI cable to connect the MegaView receiver to your (2nd) TV. The MegaView transmitter and receiver are connected through a UTP cable. Additionally, you can use the MegaView 91 in combination with your existing home network (LAN), including routers and switches. The loopthrough connection makes it possible to connect an additional TV to your decoder. Thus, you can watch the same content on 2 TVs at the same time. The built-in infrared return function ensures that you can operate your source device remotely as well. This is useful, for example, if you want to watch the rest of your favorite series in the bedroom and your decoder is downstairs. Additionally, you can use the MegaView 91 in combination with your existing home network (LAN), including routers and switches. This makes the MegaView 91 a very versatile HDMI extender over CAT5.

Specification

Product Description	Marmitek MegaView 91 (receiver) - video/audio/infrared extender - HDMI
Device Type	Video/audio/infrared extender (receiver)

Form Factor	External
Localisation	Europe
Data Transfer Rate	6.75 Gbps
Data Link Protocol	HDMI
Max Transfer Distance	120 m
Power	AC 120/230 V
Dimensions (WxDxH)	13.5 cm x 8.4 cm x 2.3 cm
Weight	330 g
Manufacturer Warranty	2-year warranty

Techn. Details	
Device Type	Video/audio/infrared extender (receiver)
Form Factor	External
Localisation	Europe
Connectivity Technology	Wired
Data Link Protocol	HDMI
Data Transfer Rate	6.75 Gbps
Max Resolution	1080p
Max Video Bandwidth	225 MHz
Max Transfer Distance	120 m
Interfaces	1 x HDMI - Type A female 1 x IrDA - mini jack female 1 x network - RJ-45 female
Included Accessories	IR transmitter
Power Device	External power adapter
Voltage Required	AC 120/230 V (50/60 Hz)
Width	13.5 cm
Depth	8.4 cm
Height	2.3 cm
Weight	330 g

Service & Support	Limited warranty - 2 years
Min Operating Temperature	0 °C
Max Operating Temperature	70 °C
Humidity Range Operating	10 - 85%
