### Description

Have better conversations, both at home and in the office, with Engage 55. This intuitive headset is designed for those who spend most of their day in calls or virtual meetings, giving you an extensive wireless range and the highest levels of security, for maximum peace of mind. Whether you're working from home or a busy office, Engage 55 will keep you sounding professional for every single conversation, no matter what's happening around you. When you're in back-to-back calls or virtual meetings, every word matters. Engage 55 features an impressive noise-canceling microphone that helps block out background noise to keep you sounding like a pro, whichever office you're working from. The speakers are optimized for speech clarity, while wideband audio delivers crisp, crystal clear, natural-sounding calls. So you can wave goodbye to crackly, robotic-sounding voices, and say hello to more engaging conversations.
